

ATTENTION WINEMAKERS

The Crusaders of Herkimer, an organization that supports the community, will be holding our forth Annual Wine Makers of the Mohawk Valley tasting contest on October 18, 2009. Our four years of sampling wines, homemade by some of the areas finest and oldest wine makers as well as a new generation of wine makers, was such a successful event that we are hosting this year's contest again at Herkimer County Community College in Herkimer. Medals will be given out that day, Gold, Silver, and Bronze by a panel of judges for various categories and a People's Choice award voted on by the attendees. Many winemakers decorated their serving area, so once again this year we will present an award for Best Area Presentation and also an award for Best Wine Label. Also, if we have enough interested winemakers, we would like to plan a Winemaker's dinner open to winemakers and a guest to be held the night before the event, October 17, 2009; this will give the winemaker's an opportunity to meet, discuss, and sample each other's wines.

We look forward to seeing you there and please visit our website at www.herkimercrusaders.com

Salute!

John J. Piseck, Jr.

(Please turn over for entry application)

**TO ENTER YOUR WINE
PLEASE MAIL, E-MAIL OR FAX**
